From acting in the theater to 10 years of imprisonment in exile on charges of nothing

The 39th branch of the Supreme Court confirmed the sentence of 10 years of imprisonment in exile for Hossein Mohammadi, which was issued by the first branch of the Karaj Revolutionary Court headed by Musa Asif al-Hosseini.

And the theater actor is one of the 15 defendants in the case of the death of 27-year-old Hossein Mohammadi, a member of the Basiji called "Ruhhalla Ajamian". This Basiji died on November 12, 1401 as a result of clashes between police and security forces with citizens during the ceremony of the 40th anniversary of Hadith Najafi.

The Karaj Revolutionary Court had previously sentenced Hossein Mohammadi to death on the charge of "corruption on earth by committing crimes against national security" in its first verdict. This ruling was later rejected by the Supreme Court and the case was referred to the lower court for retrial due to "defects in the investigation".

Musa Asif al-Hosseini, the judge of the court, however, changed the charge from "corruption of Fialarz" to "warfare" and sentenced Hossein Mohammadi to 10 years in prison in exile in Kerman province.

Issuing a 10-year prison sentence in exile against Hossein Mohammadi on the charge of "warfare" against Hossein Mohammadi, while according to Article 279 of the Islamic Penal Code, the condition for the crime of "warfare" is the use of a "weapon" by the perpetrator with the "intent of creating insecurity and scaring" the people. In the event that even according to the documents of Hossein Mohammadi's case, he did not have any kind of cold or hot and wood) during the conflict. weapon (even stone

Due to the great pressure of intelligence and security agencies against Hossein Mohammadi's family, not much information about the details of his case has been published, but what has been revealed shows that his name was not among the accused in the first two sessions of the court, and in the third session, he was suddenly added to the other accused in the case . Reports show that, according to sources close to Hossein Mohammadi's family, he had no role in the death of "Ruhhalla Ajamian" and basically appeared on the scene after his death.

از بازیگری تئاتر تا ۱۰ سال زندان در تبعید به اتهام هیچ

شعبه ۳۹ دیوان عالی کشور حکم ۱۰ سال زندان در تبعید برای حسین محمدی را که توسط شعبه اول دادگاه انقلاب کرج به ریاست موسی آصف‌الحسینی صادر شده تأیید کرد.

حسین محمدی ۲۷ ساله و بازیگر تئاتر یکی از ۱۵ متهم پرونده جان باختن یک بسیجی به نام «روح‌الله عجمیان» است. این بسیجی ۱۳ آبان ۱۴۰۱ در نتیجه درگیری‌های میان نیروهای انتظامی و امنیتی با شهروندان در جریان مراسم چهلم جاوید نام حدیث نجفی جان باخت.

دادگاه انقلاب کرج پیشتر در حکم اول خود حسین محمدی را به اتهام «افساد فی الارض از طریق ارتکاب جرائم علیه امنیت ملی» به اعدام محکوم کرده بود. این حکم بعدتر در دیوان عالی کشور رد شد و پرونده به دلیل «نقص در تحقیقات» برای رسیدگی مجدد به شعبه بدوی ارجاع شد.

موسی آصف‌الحسینی قاضی دادگاه اما این بار با تغییر اتهام انتسابی از «افساد فی‌الارض» به «محاربه»، حسین محمدی را به ۱۰ سال زندان در تبعید در استان کرمان محکوم کرد.

صدور حکم ۱۰ سال زندان در تبعید به اتهام «محاربه» علیه حسین محمدی در حالی است که بنا بر ماده ۲۷۹ قانون مجازات اسلامی شرط تحقق جرم «محاربه» استفاده از «سلاح» توسط مرتکب به قصد ایجاد ناامنی و ترساندن مردم است. در صورتی که حتی بنا بر مستندات پرونده حسین محمدی در جریان درگیری هیچگونه سلاحی اعم از سرد و گرم (حتی سنگ و چوب) در دست نداشته است.

به دلیل فشار بسیار زیاد نهادهای اطلاعاتی و امنیتی علیه خانواده حسین محمدی اطلاعات زیادی از جزئیات پرونده او منتشر نشده اما آنچه فاش شده نشان می‌دهد نام او در دو جلسه ابتدایی دادگاه در میان متهمان نبود و در جلسه سوم ناگهان به متهمان دیگر پرونده اضافه شد. گزارش‌ها نشان می‌دهند به گفته منابع نزدیک به خانواده حسین محمدی، او هیچ نقشی در جان باختن «روح‌الله عجمیان» نداشته و اساساً پس از مرگ وی در صحنه حاضر شده است.

Hossein Mohammadi was arrested on Nov. 5 at his home in Karaj, and accused in the killing of a Basij member during a large protest in Karaj. The court used forced confessions broadcast on state television against him, according to Amnesty International.

Mr. Mohammadi, an award-winning theater actor, wrote poems, sang and acted in several short films and plays, and won the best actor award at a local art festival.

On Jan. 3, the Supreme Court announced that it had overturned Mr. Mohammadi's verdict, citing shortcomings in the investigation. The case was returned to the original judge for retrial. He is still at risk of being sentenced to death.

## Manouchehr Mehman Navaz, 45.

Manouchehr Mehman Navaz was arrested on Sept. 25 in Gharchak, in Tehran Province.

He was accused of setting fire to a government building and to several cars, and of attacking a security guard's outpost by throwing Molotov cocktails. In its decision against him, the court relied on his text messages to a friend, which the judge said placed him in a protest, and grainy footage. Prosecutors requested he be hanged in public at the same place as the arson.

As with other defendants, very little information is publicly available about Mr. Mehman Navaz. He is married and has two teenage daughters, according to the Iran Human Rights Network.
