## Zahra Nabizadeh miscarries her 6-month fetus under torture and faces a death sentence

According to the news circulating on social media, Zahra Nabizadeh, a pregnant woman kidnapped in Mahabad some three weeks ago, has received a death sentence and is awaiting execution.

Zahra Nabizadeh from Mahabad was abducted on the evening of December 25, 2022, by the clerical regime's security forces without an arrest warrant and taken to an undisclosed location. Ms. Nabizadeh was six months pregnant at the time of her arrest. Interrogators kicked her in the abdomen, and she suffered a miscarriage under torture and is currently experiencing severe bleeding.

The night before the arrest of Ms. Nabizadeh, in the "Bari Madrasa" neighborhood where she lives, Mahabadi women took to the street with the slogan "Women, Life, Freedom."

Social media users expressed their sympathy for this imprisoned protester. They commented that the mullah regime had banned abortion, but they tortured and did not have any mercy on a pregnant woman fighting for freedom.
