The number of women killed during the national uprising in Iran has reached at minimum 68 women

The number of women killed during the national uprising in Iran has reached at minimum 68 women

Minimum 68 women killed. Iranian Human Rights Society, Thursday, January 5, 2023, names of women killed in Iran's nationwide uprising updated. The number of women killed during the nationwide uprising reached at minimum 68 women .

This is while many people who have been killed not announced at all due to enormous pressure on families. And the government announces their names under fake and false titles, like suicide or accident.

After more than three months of protests in Iran, the repression and killing of women reached a new peak. And protests of the women of Iran and the world led to the great victory of Iran's expulsion from the United Nations Commission on the Status of Women.

These women killed during nationwide protests in Iran that started on September 16, 2022, with the murder of Mahsa Amini in Tehran. All these women were killed by repressive government agents. Some of them killed by direct bullets, some by batons or beatings by repressive agents.

The names of 68 women killed during the protests, compiled till now by the Iranian Human Rights Society, are as follows:

- 1- Mino Majidi, Kermanshah, martyrdom due to shooting by security agents, Martyrdom date, 9.20.2022
